You didn't received it because the all the funds were allocated. The due date for the application was in the prior fiscal year. Your application was submitted in October. We have not received any additional funds from DWP. Tara is requesting more funds. Please note an excerpt from Jessica's email from January last year.

So does that mean that we did not receive for a reason? It wasn't clear.

Hello Blair.

The funds have been allocated for this year. I met with Mudia on Tuesday to ask about funds for the upcoming year. He is working on it.

Thank you.

I hope all is well with you. I still have not received the grant and wondered when we could write this off our books. Please find attached again. I have copied Patti in our office so that she is in the loop too.

Have a wonderful week!

Please note the new email address (domain) and name of the BID. We are still listed with the City as Historic Downtown due to the contract with them.
